

# OPEN DAYS 2010

From Tuesday  
September 28<sup>th</sup>  
until Saturday  
October 2<sup>nd</sup>

## Open Days Bejo 2010

From Tuesday 28th September until Saturday 2nd October, from 9:00am to 5:00pm each day (Saturday until 4:00pm).

PAY US A VISIT  
AND ...

### ...learn more about our assortment

- visit our conventional and organic vegetable trial fields
- be informed about our varieties characteristics and unique genetics in a wide range of crops

### ...hear about the latest developments

- learn about market opportunities with our varieties
- discuss current and future market trends

### ...see new technologies

- participate in the guided tours through seed cleaning, seed processing and storage facilities
- enjoy the machinery display and working demonstrations:
  - soil preparation, sowing and planting, crop treatment, irrigation, harvesting
  - cutting, processing and packaging

**The venue for the open days is opposite our head office in Warmenhuizen, The Netherlands.**

If you do intend to come, please contact your local Bejo sales office or representative with details about your visit to help us look after you.
