

# 2010 Garden Basket Tour!

View a wide variety of vegetable crops at our Geneva, NY research and demonstration farm, with suggestions on producing and marketing vegetables according to use, such as grilling, soup, salad, roasting and preserving. Of interest for large-scale commercial growers, market gardeners, chef suppliers (and your chefs!) and CSA operators.

**Join Us On The Farm  
Tuesday, August 31, 2010**

**Light lunch at noon. For more info. or to RSVP  
please call us at 315-789-4155.**
